

Although SPEED-DEALER DISTRIBUTION continues to distribute the highest quality and most high performance products available to our client skateshops who do not rip off their team riders, we have decided to temporarily shut down the retail aspect of our business on this site until sometime later in spring when we'll make the final decision.

Sorry for any inconvenience this gives to our customers who have supported Speed-dealer.ca since we opened our cyber doors in 2011.

However, we would like to inform you that Speed-dealer.ca's owner, Blair Watson, is currently liquidating his personal skateboard collection that consists of epic skateboards from the '70s, '80s, '90s and 2000s including a number of prototypes and personal riders from pro skaters Steve Olson, Rick Blackhart, Steve Alba, Stevie Caballero and those of Blair himself!

You can view the sale on Blair's Skateboarding and Skateboard Collection site: [SKULLANDBONESSKATEBOARDS.COM](http://SKULLANDBONESSKATEBOARDS.COM)

By following [this link](#) to the sale page which features a number of PDFs with high res images, descriptions and prices which are negotiable. You do not have to register and join the site (but please do, it rocks!) as Blair has made this page viewable to the public for this sale. Blair can be contacted via [e-mail](#) with regard to any questions you may have regarding the sale.
